

## GENERAL INFORMATION AND NOTICES REGARDING USE OF THIS CATALOG:

WHOLESALE ONLY. This catalog is for information purposes only and does not (i) constitute an offer by GEC, or any other party, to sell or otherwise provide any product contained in this catalog or (ii) grant any party the right to purchase from GEC, or any other party, any product contained in this catalog. Orders for products shall be placed with GEC in accordance with GEC's then current purchasing terms, conditions, policies and procedures. Placement of an order by any party shall not be binding on GEC until such order is accepted, in writing or by other verifiable means, by GEC. Any order, when so accepted, shall constitute a contract between GEC and the party placing such order, consisting of the terms of the formal acceptance issued by GEC and no other terms unless specifically approved, in writing, by GEC. GEC has no obligation to accept any order and silence on the part of GEC shall not be construed as acceptance or agreement on the part of GEC. Except as otherwise agreed in writing by the party against whom any such obligation is sought to be enforced, neither GEC nor any other party shall be obligated to (i) provide, disclose or otherwise make available any particular information, (ii) enter into, or participate in, any project, transaction or other relationship or (iii) execute any contract or other document or take, continue or forgo any action whatsoever.

Prices (like other information contained in this catalog) are subject to change by GEC, at any time and without notice. Prices for products do not include sales or use taxes. GEC sells products wholesale to the retail trade and each purchaser shall remit, directly to the proper authorities, all applicable taxes. In States requiring a resale license number, each purchaser shall furnish to GEC such purchaser's certificate number or other proof of license to buy without obligation to pay taxes.

Unless otherwise specified in the terms of formal acceptance issued by GEC in connection with an order, all products are sold ex works (as defined in Incoterms 2010). GEC reserves the right, at its discretion, to make products available for shipping from GEC's premises or the premises of the manufacturer thereof or other third parties.

Acceptance of orders is subject to credit approval by GEC. Until credit is established to GEC's satisfaction, payment by either credit card or cash-in-advance may be required. Alternatively, GEC may, at its discretion, require payment to be made at the time products are made available and collected for shipping to purchaser.

Terms of payment for established accounts are Cash In-Advance or Net 30 Days.

- Cash-In-Advance: electronic payments, checks or credit cards are accepted at time of purchase.
- Net 30 Days: electronic payments or checks are acceptable forms of payment. Credit cards can only be used at time of purchase.

Products will not be made available for shipment, on open account, to a customer whose account is past due.

Claims for shortage or overcharge must be made within ten (10) days of products being made available and collected for shipping to purchaser, and GEC's responsibility therefore ceases after expiration of such ten (10) day period.

Written permission must be obtained from GEC in order for a purchaser to return goods for credit and such return may be subject to a return handling charge. All returned products must be accompanied by the invoice number indicating date purchased and price paid.

All products are sold by GEC solely for resale or for commercial purposes. GEC makes no warranties to those defined as "Consumers" under the Magnuson-Moss Warranty – Federal Trade Commission Improvements Act. EXCEPT AS SPECIFICALLY STATED IN THE TERMS OF FORMAL ACCEPTANCE ISSUED BY GEC, GEC MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, REGARDING ANY MATTER, INCLUDING, WITHOUT LIMITATION, THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OF ANY PRODUCTS. Products contained in this catalog may be warranted to the final Consumer by their manufacturer and copies of such warranties are supplied with the applicable product by the applicable manufacturer or are available from the applicable manufacturer. As a convenience, GEC may obtain copies of such consumer warranties from applicable manufacturers and furnish them, free of charge and in connection with the purchase of applicable products, to purchasers from GEC who request them in writing. Address requests to GEC Customer Service Dept.; P.O. Box 29242; Dallas, TX 75229. Requests must include the GEC order number and the manufacturer's model number of each product for which a copy of the applicable consumer warranty is requested.

This catalog provides product options for consideration by potential purchasers of products from GEC. It is the responsibility of each purchaser to have its personnel (possessing sufficient technical skill, knowledge, training and expertise) thoroughly review and analyze the information set forth in this catalog (and other information as deemed necessary by such purchaser) in order to determine the appropriateness of all aspects of such purchaser's application, installation, usage, inspection and maintenance of products. Each such purchaser is solely responsible for making the final selection of any products to be purchased from GEC, and to ensure that application, installation, usage, inspection and maintenance of all products purchased shall be in compliance with all applicable specifications, instructions, manuals, performance, safety and warning requirements and provisions of NFPA #54, NFPA #58, DOT, ANSI and all applicable federal, state, local and foreign standards, codes, regulations and laws. Each such purchaser should seek further information in the event there are any doubts or questions.

Though GEC makes reasonable efforts to present accurate information in this catalog, GEC cannot guarantee that this catalog (or any other specifications, instructions, manuals or other information made available in connection with the products contained in this catalog) is completely free from error, omission or misstatement. In addition, product illustrations and descriptions are solely for identification purposes and actual products purchased from GEC will not necessarily conform to such illustrations or descriptions. TO THE FULLEST EXTENT ALLOWED BY APPLICABLE LAW, GEC DISCLAIMS ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, REGARDING ANY MATTER RELATED TO THIS CATALOG OR INFORMATION CONTAINED IN THIS CATALOG (OR OTHERWISE MADE AVAILABLE IN CONNECTION WITH PRODUCTS), INCLUDING, WITHOUT LIMITATION, REPRESENTATIONS OR WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. GEC shall not be responsible for any incorrect information and shall not be liable for any death, injury or damage, whether direct, indirect, incidental, or consequential, caused by the use of this catalog or such information. Information contained in this catalog (or otherwise made available in connection with products) is subject to change by GEC, at any time and without notice. Without limiting the foregoing, it is understood that GEC makes no representation or warranty, regarding truthfulness, accu-

racy or otherwise, with respect to the content of any warranty, specifications, instructions, manuals or other information created, provided or otherwise made available by any manufacturer or other third party, and expressly disclaims any liability or responsibility for the content thereof. Each purchaser of products from GEC should consult with GEC regarding more detailed information and in order to determine any changes in information contained in this catalog (or otherwise made available in connection with products).
